

## New remote control types made by Classic Service Parts

### CLASSIC IRC FAMILY & FAMILY BASIC

Classic Service Parts offers two brand new remote control types. IRC Family and IRC Family Basic extend the current range of IRC OD and 1 to 1 remote controls and are intended for all types of modern TV sets.

IRC Family is a full featured remote control with 57 keys to cover the complete set of functions of the original remote, whilst IRC Family Basic delivers basic menu functions for day-to-day use. Both remotes can be used out-of-the-box , for most common functions and can easily be adjusted to cover any additional functions of a specific TV model.

### 9 BRANDS SUPPORTED

With the release of the new Family-Types 9 brands will be supported at the beginning. Additional brands will follow based on future demand. Different codes due to new generations of a brand are covered within one type.

IRC Family and Family Basic are offered for the following brands:

- GRUNDIG
- LG
- PANASONIC
- SHARP
- SAMSUNG
- SONY
- TOSHIBA
- VESTEL
- PHILIPS
